Dear Mr. Cassels:

re: Kathleen Parlow Estate

I am taking the liberty of setting out the agreement we reached by telephone on Friday last to avoid the possibility of future confusion, particularly with regard to the piano.

The executors of the Parlow estate have been authorized by the University to sell the house on Major Street on terms at least as favourable as those contained in the recent offer which was the subject of previous correspondence between us and which would mean a net loss of some \$250.00. As I informed you, unfortunately, the offer had been withdrawn but the authority of the University, I took it, constitutes a general authority to the executors to deal on the basis that was proposed.

The piano which has been purchased by the Faculty of Music for \$1800.00 will be moved immediately from the Major Street house by the Faculty. This is to be done on the understanding that the University will release the executors from the executors' obligation to receive \$1800.00 on the sale of the piano and undertake to deposit in the Kathleen Parlow trust fund the \$1800.00 sale price. This will permit the executors to wind up the estate without having to await payment of a promissory note as apparently had been suggested.

If this summary contains any error or omission, I would be grateful if you would bring it to my attention,

otherwise I am satisfied to assume, in the absence of any word from you, that it correctly reflects our agreement.

I need hardly say that both Mr. Ridout and myself and my colleague, Mr. Smith, are grateful to you for your help in this matter.

Yours faithfully,

Robert Reid
